Charting a dramatic period in the history of the Kingdom of Israel, this translation of and commentary on Kings is ideal for both Christian and Jewish scholarship.

Matthew is the most familiar of the gospels, best known for its parables, miracle narratives and the long Sermon on the Mount. Recognised by the early church as the most fitting introduction to the New Testament, its special concern is to announce Jesus as the fulfillment of the Old Testament.

One of the twelve Minor Prophets, Micah unwaveringly spoke

God's message to Israel--a message filled with judgment but also laced with the promise of redemption. Micah combined poetic complexity and literary sophistication to compel his audience to respond. And now, through an exacting linguistic and literary analysis of the biblical text, coauthors Francis I. Andersen and David Noel Freedman explain what Micah meant to his contemporaries, as well as what his message means to readers today. What sets Micah apart is the attention it pays to the details of the prophet's original text. The commentary is descriptive rather than speculative, philological rather than theological. With unusual care, the authors--two of the world's leading Bible scholars--examine the features of Micah's biblical Hebrew and prophetic discourse. They discover the use of a special kind of

language, which, in its poetic composition, differs significantly from the language of classical Hebrew prose. At the zenith of their careers, masters of all relevant disciplines, Andersen and Freedman are the perfect duo to unlock the words of this challenging prophet.

Good advice that stands the test of time-those things we all know are true, tips that help us live the good life-we call wisdom. But, one life time is not enough to master the fine art

of living. Distilled over centuries, the biblical book of Ecclesiastes offers us the time-tested advice of Israel's sages. This is the best of wisdom, with echoes of East and West--from Zen and Tao to Merton and Moore--all rolled into one. In Ecclesiastes, Bible scholar Choon-Leong Seow creatively translates and carefully interprets one of the world's most profound, most enduring collections of ancient wisdom. Sometimes joyful and exultant, other times cynical and fatalistic, the ancient author Qohelet ("Teacher") wrestles with the ups and downs of real life. Even today, we recognize and repeat the sayings of this treasure-trove of apt advice. The book begins and ends with the infamous claim, "Vanity of vanities, says Qohelet, vanity of vanities! All is vanity!" In between, the sage leaves no stone unturned in the search for

meaning. As the wisdom of biblical Ecclesiastes has stood the test of time, so shall Dr. Seow's Ecclesiastes become a classic in the venerated tradition of the Anchor Bible series.

One of early Christianity's most carefully crafted sermons, "Epistle to the Hebrews" addresses listeners who have experienced the elation of conversion and the heat of hostility, but who now must confront the formidable task of remaining faithful in a society that rejects their commitments. The letter probes into the one of most profound questions of

faith: If it is God's will that believers be crowned with glory and honor, why are the faithful subject to suffering and shame? Through the stories of Abraham and Sarah, Moses, and Rahab, whose faith enabled them to overcome severe trials and conflicts, and through the story of Jesus himself, whose sufferings opened the way to God's presence for all, the sermon confirms the foundations of the Christian faith. In a magisterial introduction, Koester presents a compelling portrait of the early Christian community and examines the debates that have surrounded Epistle to the Hebrews for two millennia. Drawing on his knowledge of classical rhetoric, he clarifies the book's arguments and discusses the use of evocative language and imagery to appeal to its audience's minds, emotions, and will. Providing an authoritative,

The Anchor Bible Commentary is the collaborative effort of Protestant, Catholic, and Jewish scholars from around the world.
