From USA Today bestselling author Meghan Quinn comes a deliciously delightful romantic comedy centered in New York City about falling in love with your best friend's sister. How do you date your best friend's sister? Easy. Step one: Pretend you want her to set you up with someone else. That will bring the two of you closer. Step two: Go on date with lots of random women, proceed to get stupid drunk and talk about your best friend's sister, thus gaining the courage to finally make a move. Step three: Randomly show up at her apartment and confess your love. Women love that, right? It all seemed so simple. A fool-proof three step process that will guarantee the love of your life to fall madly in love with you. At least--that's what I thought was going to happen. But my attempts to win over Julia Westin backfired in more ways than I can count. The thing about Julia? She's smart--really smart--and her wicked gaze cuts through all the charm I've tried slinging her way. She's not interested in games, my gifts, or my stories. She might want me too; but she's not giving in that easy...
