Product description The Memory Craft 350E makes it easier than ever to do professional looking embroidery on a stand-alone machine. All operations are noticeably faster and smoother on the MC350E thanks to some dramatic improvements on the inside of the machine.

Janome Memory Craft 350E Embroidery Machine: Amazon.co.uk ...

Memory Craft 350E is an embroidery machine made by Janome. It is their most advanced embroidery-only machine for home use. Embroidery is rather a complex process. The quality of embroidery depends on how well you match fabrics and on stabilisers, threads and needles. Technical issues such as thread tension, needle quality and hooping will also have an impact on what the embroidered image will ...
