The FAA and NWS co-publish Aviation Weather Services (Advisory Circular 00-45G), which features full-color illustrations throughout and full coverage of the weather-related tools that assist pilots with flight planning and in-flight decisions. This text thoroughly explains the many U.S. aviation weather products and services available to pilots. Weather product examples and explanations are taken primarily from the Aviation Weather Center's Aviation Digital Data Service website. The AC provides hundreds of weather website addresses for weather resources and
